Bm
Hello
Is there anybody in there? 
Just nod if you can hear me
Is there anyone at home?
Come on now
I hear you’re feeling down
I can ease your pain
And get you on your feet again
Relax
I’ll need some information first
Just the basic facts
Can you show me where it hurts?

D
There is no pain you are receding
D
A distant ship smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child I had a fever
My hands felt just like two balloons
Now I've got that feeling once again
I can't explain, you would not understand
This is not how I am

I have become comfortably numb.

I have become comfortably numb.

Bm
O.K.

Just a little pinprick
There'll be no more aaaaaaah!
But you may feel a little sick
Can you stand up?
I do believe it's working, good
That'll keep you going through the show
Come on it's time to go.

There is no pain, you are receding
A distant ship smoke on the horizon
You are only coming through in waves
Your lips move but I can't hear what you're saying
When I was a child, I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now, the child is grown
The dream is gone

I have become comfortably numb.
I have become comfortably numb.
